VIA, ELECTRONIC FILINGThe Honorable Jocelyn G. Boyd
Chief Clerk/Executive Director
Public Service Commission of South Carolina

- Re: • SC Energy Freedom Act Proceeding to Address S.C. Code Ann. Section 58-27-460(A)(1) and S.C. Code Ann. Section 58-27-460(A)(2) (Promulgation and Periodic Review of Standards for Interconnection and Parallel Operation of Generating Facilities to an Electrical Utility's Distribution and Transmission System)
- **Docket 2019-326-E**

Ms. Boyd:

We write on behalf of the Carolinas Clean Energy Business Association (“CCEBA”), to respond to the Application for approval of “Appendix DESC CS” to the South Carolina Generator Interconnection Procedures, filed by Dominion Energy South Carolina on January 12, 2022, in Docket No. 2019-326-E.

CCEBA participated, on behalf of its members, in the stakeholder input process leading up to the filing of DESC's proposal. CCEBA appreciates that DESC took CCEBA's recommendations and comments into account and made changes to its draft proposals based on those comments. CCEBA encourages DESC to take similar steps in future dockets to provide such opportunity for stakeholder involvement.

CCEBA has reviewed the filing and supports DESC's Appendix as filed. Please let us know if you have any questions.

Respectfully Submitted,

/s/Richard L. Whitt,

Richard L. Whitt,

As Counsel to the Carolinas Clean Energy Business Association.
